SERVICE-DISABLED VETERAN-OWNED SMALL BUSINESS

Capability Statement

CodeRing, LLC · Software engineering for the federal government

CORPORATE OVERVIEW

Agile software for the federal mission

CodeRing, LLC is a service-disabled veteran-owned small business specializing in agile software development for the federal government. We have led agile transformations and implemented continuous integration at a variety of prestigious federal clients. Our code is deployed in production at the highest levels of government.

CORE COMPETENCIES

✓ Software Development	✓ Automated Testing
✓ Agile Transformation	✓ Process Improvement
✓ Business Process Analysis	✓ Business Process Automation
✓ Project Management	

KEY DIFFERENTIATORS

01 **Federal delivery since 2007**
Defining, designing, and delivering working solutions for our clients and partners.

02 **Security-minded engineering**
We have successfully achieved Authority to Operate (ATO) for multiple web-based applications.

03 **Vulnerability remediation**
Automated scanning tools and manual processes to identify, prioritize, and remediate vulnerabilities in new and legacy code.

04 **Certified technical experts**
Microsoft Certified: Azure Developer Associate, Certified ScrumMaster, Microsoft MCTS, Certified Ethical Hacker, CompTIA, and more.

05 **DoD 8570 & 8140 workforce qualified**
Staff met DoD 8570.01-M requirements and are aligned with its successor, DoD Manual 8140.03, which qualifies personnel by DCWF work role through certification, training, education, and experience.

06 **Proven across government**
Military, Executive Branch, Law Enforcement, Health, and the Intelligence Community.
